TEN Carbon Neutral Workshop

Our vision

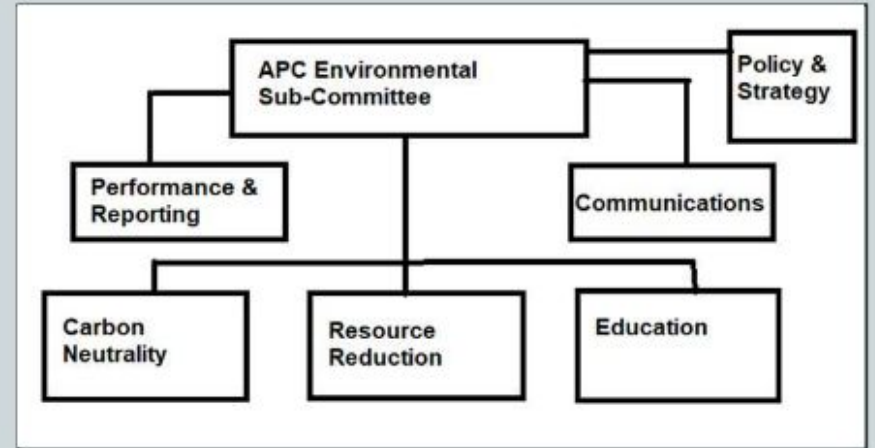

“To become a regenerative, carbon negative, zero waste, resource smart school”

Lead Create Inspire

Action Teams

The following Action Teams will consist of members working to achieve these goals in 2022

Each team is working towards the same vision

Lead Create Inspire

A bit about myself ...

Lead Create Inspire

Where I got my inspiration from

- The student leaders
- APC's vision
- WASSA

Data Collection - Challenges

- Carbon emission comes from more sources other than just utilities
- School's coding for bills does not align with Climate Active Spreadsheet
- Hard to acquire accurate emission under each category

**This is just preliminary data

Lead Create Inspire

My reflection and the future

Taking any action without comparing the cost and benefit is not sustainable.

Continuous data collection should be easy under a well-developed system.
