

Cut out the images of the animals.

Cut out the names of the animals.

Place all the cards face down on a table.

Player 1 turns over two cards. If the picture and the words match, take these cards out. Player 1 scores one point.

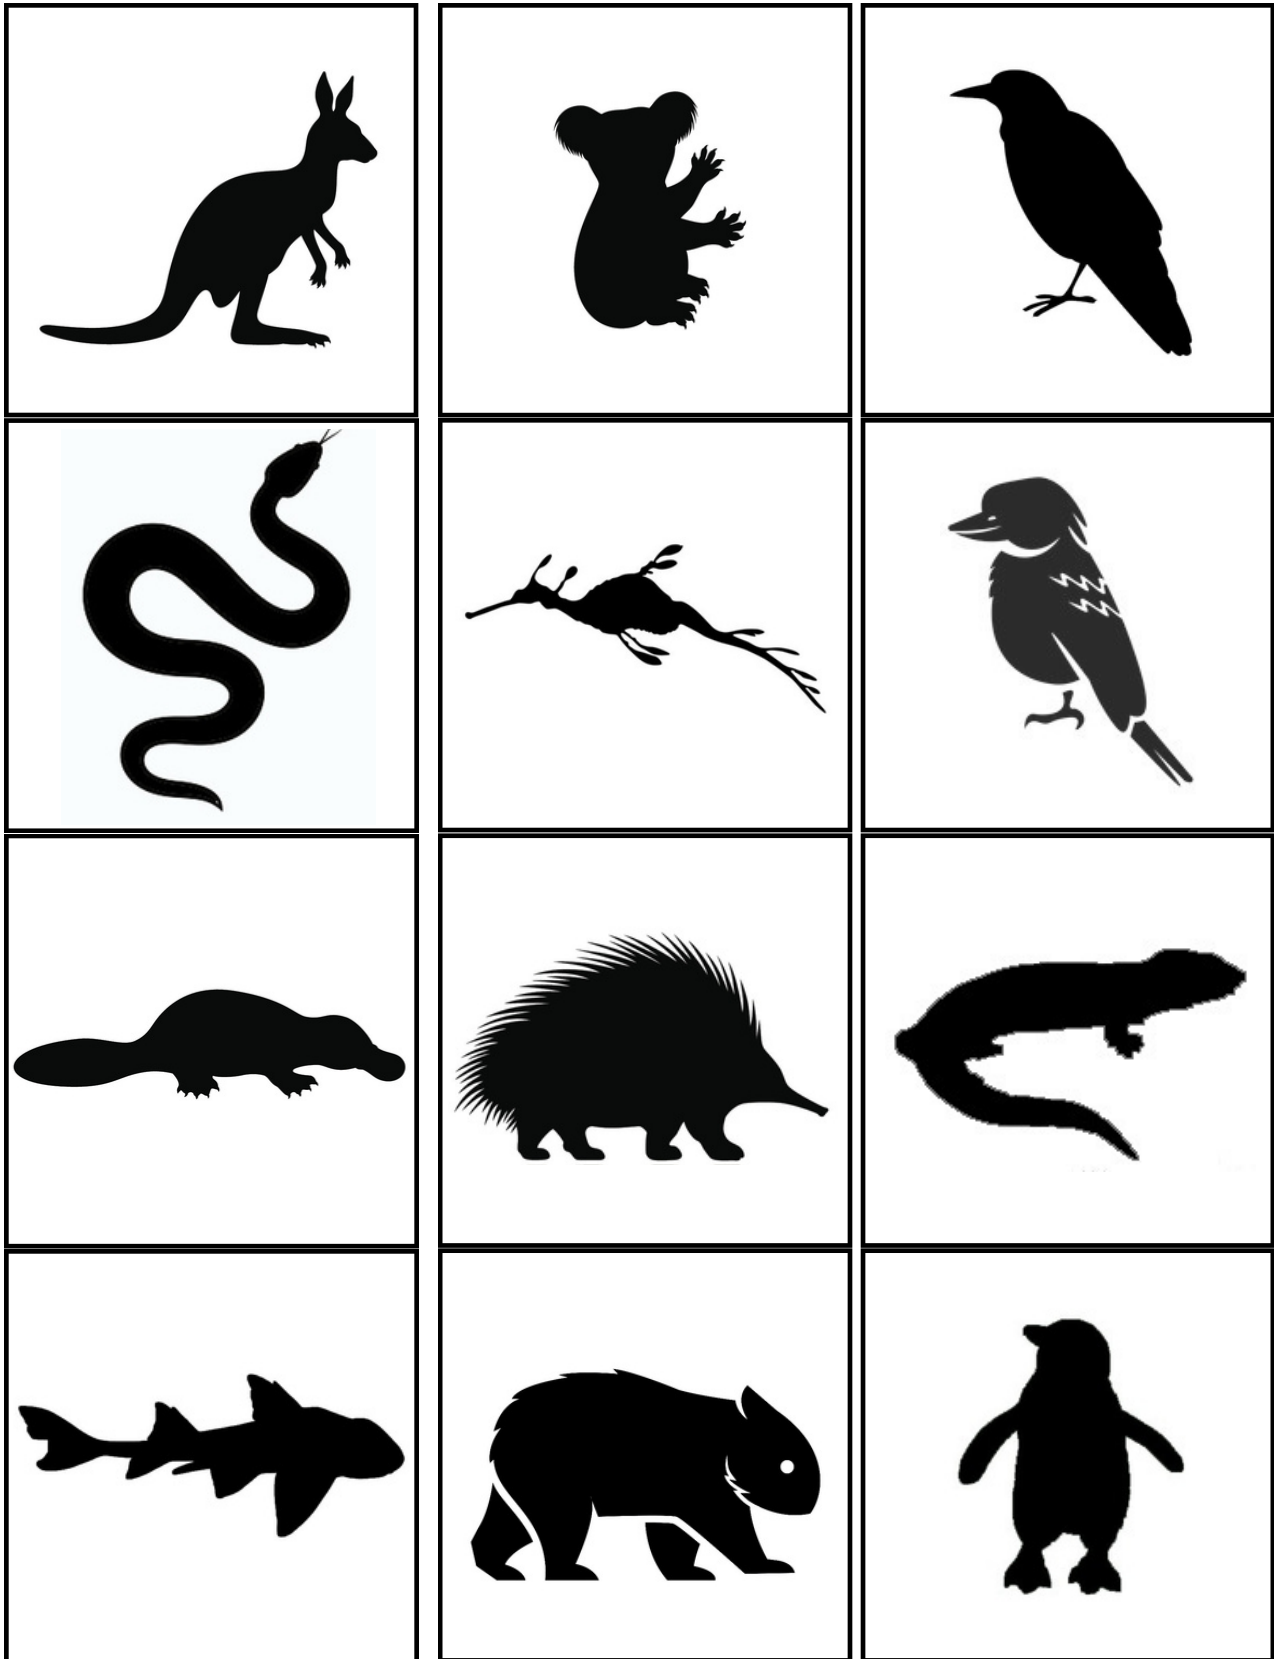

If they don't match, turn the cards back to face down.

Player 2 then turns over two cards.

Keep playing until all the cards have found their matching pair.

Then count up how many pairs each player has.

The player with the most points wins!
